Loved by puzzle solvers, strong teams, smart cookies.

Murder in Ancient Egypt is our flagship murder mystery program. We use game mechanics similar to escape rooms, that include puzzles, codes, and other challenges; in an epic race to solve the real historical murder before time runs out. At the end of your event, our facilitator will share the story of the actual unsolved murder that took place in Ancient Egypt and award a winning group.

Loved by true crime aficionados, history buffs, puzzle lovers.

The year is 1923, prohibition is in full swing, and a young female socialite turns up dead in the Krazy Kat speakeasy. Your group will go back in time to the Roaring 20s to solve puzzles and follow clues that will help unravel what really happened that fateful night. While the murder is fictional, the club and many of the mystery's major players are real.

Loved by RPG nerds, online game fans, virtual teams.

War of the Wizards is an online team building game that combines elements of popular role-playing games, world building, storytelling, friendly competition and fierce collaboration. Essentially, a few wizards have been at battle for as long as anyone can remember and need your help to resolve the conflict. Your coworkers become the wizards' minions: gathering sparkles, casting spells and competing!
