Full Service Virtual Entertainment For Every Type Of Event

Just because we can't see each other in person doesn't mean we can't stay in touch, be social and have fun together.

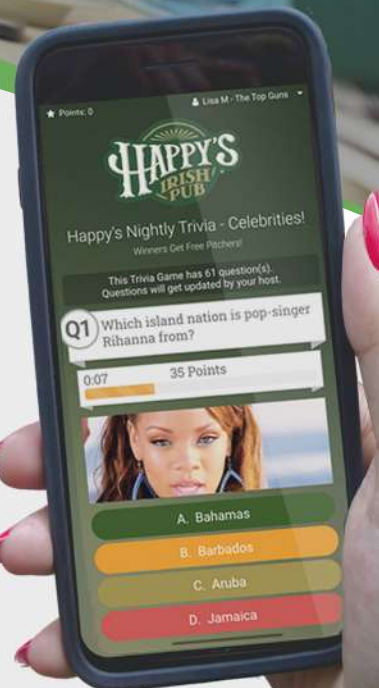

Whether it be a Birthday, Anniversary, Graduation, Retirement party etc. We have plenty of creative ways to help you host parties so you can continue connecting with those you love with a fun twist. Unlike events in person, virtual events aren't tied to one location. Multiple people can join the fun from anywhere. Our team of experts can fully plan & facilitate all aspects of hosting these types of events and translate these experiences into meaningful and fun encounters! The following booklet includes some our favorite and most popular programs. All of which can be fully customized to fit your exact needs, group size etc. We are always adding new items to our list of services so you will always have fresh and unique ideas!

Live & Interactive

- Trivia Game Shows
- Scavenger Hunts
- Night at the Races
- Survey Says
- Name That Tune
- Bingo
- And More!

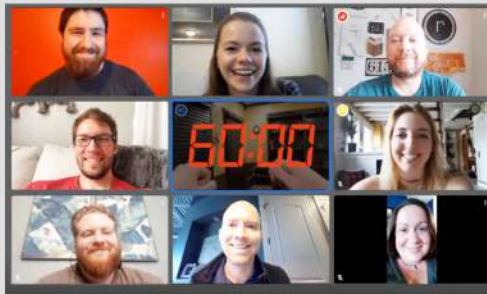

How These Work

All of our Gameshows include a Live Interactive Host that will facilitate the virtual event and run the program. Guests will receive links to their upcoming show prior to event start time. Some shows require zoom while some are done via Youtube Live. Some shows also allow players to use their cell phone or tablet device as a gameshow buzzer. Leaderboards are displayed in real time to promote casual competition and a fun environment. These shows are a great way to see friends or coworkers virtually while participating in an exciting event!

SPEED TRIVIA

- Players will join a zoom call with our interactive host
- The host will share a game specific link for everyone
- Players will earn points for correct answers and bonus points for answering faster than opponents
- Question types include multiple choice, text response and video. Custom Trivia available!

Virtual GAMESHOWS!

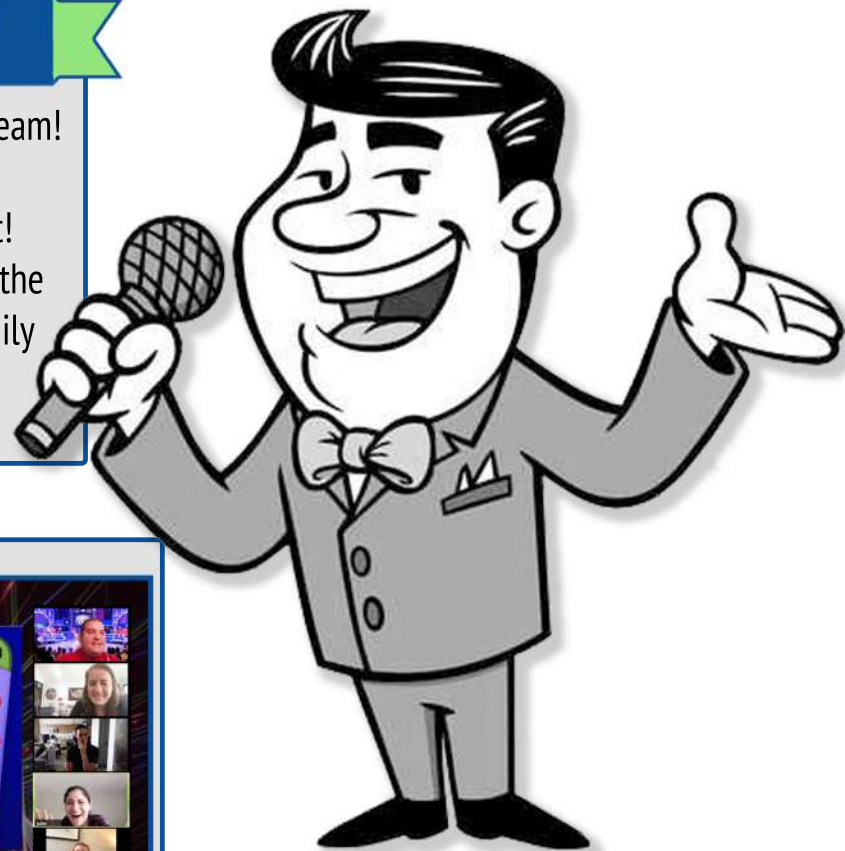

TEAM TRIVIA

- Team Trivia allows your audience to play together as a team!
- Its the battle of the branches! The battle of the departments! The battle of the siblings! East coast vs west coast!
- Team Trivia nights provide amazing flexibility to create the ultimate team battle for your organization, live event, family holiday or game night!

SURVEY SAYS

- Just like what you see on Family Feud... but Virtual!
- An interactive Virtual Call seeking out the most popular answers.
- Each question will start with a virtual face off and still has the Family Feud staples of deciding to play or pass while teams get the chance to steal if the board isnt cleared.

Virtual BINGO!

- Everyone loves a good game of Bingo. Simple, Fun, and it promotes healthy competition!
- Virtual Bingo includes a variety of options like Human Bingo, Trivia Bingo, Music Bingo, and Speed Bingo.
- We keep it fun and friendly in this fully hosted event. Instead of only calling numbers, your host will play music or show visuals as you cross off squares on your virtual Bingo Card!

SCAVENGER HUNT

- One of our top selling remote games where players scramble to find items or fulfill challenges before time runs out!
- For example, a player may have to retrieve their favorite mug or take a selfie to earn points.
- The goal of these games is to have fun and encourage engagement for participants tracked with a custom real time application.
- All games are overseen and run live by our inhouse experts!

Virtual PHOTOBOOTH

Create and share branded photos, gifs, or boomerangs. Works completely from your PC, laptop, smartphone or tablet device. No app install required.

Customize our virtual photo booth with your brand or event theme to create a fully immersive photo booth experience!

NIGHT AT THE RACES

Night at the Races is a fun and exciting entertainment idea for any type of Party! Guests will get to place bets on which horse they think will win the race and compete against friends or co-workers!

Our Virtual Event Host will announce the races and help everyone place their bets before the sound of the starting gun!

Murder in Ancient Egypt is our flagship murder mystery program. We use game mechanics similar to escape rooms, that include puzzles, codes, and other challenges; in an epic race to solve the real historical murder before time runs out. At the end of your event, our facilitator will share the story of the actual unsolved murder that took place in Ancient Egypt and award a winning group.

Loved by true crime aficionados, history buffs, puzzle lovers.

The year is 1923, prohibition is in full swing, and a young female socialite turns up dead in the Krazy Kat speakeasy. Your group will go back in time to the Roaring 20s to solve puzzles and follow clues that will help unravel what really happened that fateful night. While the murder is fictional, the club and many of the mystery's major players are real.

Loved by RPG nerds, online game fans, virtual teams.

War of the Wizards is an online team building game that combines elements of popular role-playing games, world building, storytelling, friendly competition and fierce collaboration. Essentially, a few wizards have been at battle for as long as anyone can remember and need your help to resolve the conflict. Your coworkers become the wizards' minions: gathering sparkles, casting spells and competing!
